## Introduction

McKinnon Basketball Association (MBA) is a not-for-profit Community Sporting Association that provides people within the cities of Glen Eira, Bayside and Kingston the opportunity to play basketball.

Whilst the MBA is extremely proud of its successes, we are firmly committed to the continuous development of our Association and our members through the growth and development of both facilities and programs.

This document has been created to assist with:

- Registrations to the MBA domestic competition
- Rules and governance for the MBA domestic competition
- Game day experience
- Pathway opportunities for representative basketball with McKinnon Cougars

## Policies, Procedures & Code of Conduct

All McKinnon Basketball Association policies are available [here](#).

All participants, including players, parents, and spectators, are required to familiarise themselves with the following Basketball Victoria policies before the season commences:

- [Basketball Victoria Codes of Conduct](#)
- [Basketball Victoria Photography and Filming Policy](#)
- [Basketball Victoria Conditions of Entry](#)

### Age Group Exemptions

The McKinnon Basketball Association (MBA) Domestic Competition is structured to provide a safe, fair, and developmentally appropriate environment for all participants.

Age groups and eligibility rules exist to maintain:

- Player safety and welfare
- Balanced and fair competition
- Consistent player development pathways

Exemptions may include, but are not limited to, requests for players to participate outside their standard age group due to medical, developmental, welfare, or exceptional personal circumstances. Exemptions are considered exceptional and not routine, and all requests are assessed carefully to protect both the individual player and the integrity of the competition.

The full assessment process is set out in [MBA's Player Exemption Guidelines & Process](#). Requests must be submitted in writing to your Domestic Club using the [Player Exemption Request Form](#), and must be endorsed by the Club before MBA will review it.

## Competition Structure

Competitions run in line with Victorian public-school terms. No rounds are scheduled on public holidays, including Australia Day, Labour Day, Easter, ANZAC Day, King's Birthday, Melbourne Cup, Christmas Day, and New Year's Day.

### Weekends

Weekend games run from approximately 8:15am to 7:30pm. Younger age groups are generally scheduled earlier in the day, though game times may vary week to week due to external circumstances and are not guaranteed.

### Weekdays

After-school competition (U8–U10) runs approximately 4:05pm to 6:20pm on Wednesdays. Over 30s/35s runs approximately 7:00pm to 10:00pm on Wednesdays.

## Season Calendar

The Summer 2026/27 season runs from Saturday 3 October 2026 (Wednesday 7 October 2026 for the Wednesday competition) through to Grand Final weekend on 20–21 March 2027 (Wednesday 24 March 2027). Each competition runs in line with Victorian public-school terms, with no rounds scheduled over the following periods:

- Melbourne Cup Weekend – 31 October to 3 November 2026
- Election Weekend – 28 to 29 November 2026
- End of Year Break / School Holidays – 17 December 2026 to 27 January 2027
- Labour Day Long Weekend – 6–8 March 2027

## Grading

- Rounds 1–4 of the competition are grading games. Clubs and Independent teams will be asked to enter teams into appropriate divisions which will be reviewed by MBA. Teams may need to be re-graded prior to Round 1 to assist with the formation of evenly numbered divisions during grading or the teams past results.
- Match results will be reviewed on a weekly basis by the MBA. Teams may be reallocated to a different division based on various factors, including performance outcomes and feedback provided by clubs and teams.
- The MBA will conduct a grading review meeting with MBA member clubs after round 2, as well as at the conclusion of Round 4 to finalise team placements within divisions. All final grading decisions will be made at the discretion of the MBA. MBA may utilise rounds 6-8 as a confirmation period to ensure teams are placed correctly.
- Players must be registered to a team prior to Round 5. Any players joining a team after the conclusion of the grading period must receive approval from the MBA.
- Ladders will be calculated from Round 5.

## Finals Eligibility

To be eligible to play finals, a player must have taken the court and played at least 50% of the scheduled games during the regular season.

## Representative Player Points System

MBA operates a Player Points System in the U12, U14 and U16 age groups. All domestic teams carrying representative-level (VJBL) players in these age groups must comply with the system, which is designed to keep divisions balanced and competitive.

## Key Points of Implementation

- Representative players are allocated points based on their team selection in the most recent VJBL competition.
- The points cap is 12 points per team for the U12, U14 and U16 age groups.
- All U12–U16 VJBL players must play in their natural age group before registering to a second team in a higher age group.

- The Player Points System applies to all U12–U16 VJBL players, regardless of the Association they represent.
- Players who voluntarily withdraw from the VJBL program retain their player points for the remainder of the season.

### Player Points Allocation

Points based on a player's current VJBL team selection:

| VJBL Team                      | Winter Season – All players | Playing up (2nd team) |
|--------------------------------|-----------------------------|-----------------------|
| 1st team, Youth League & Big V | 4                           | 2                     |
| 2nd team                       | 3                           | 1.5                   |
| 3rd team                       | 2                           | 1                     |
| 4th team                       | 1                           | 0.5                   |
| 5th team and below             | 1                           | 0.5                   |

In the season a player changes age groups (typically the Summer season), points are adjusted for top- and bottom-age players as follows:

| VJBL Team                      | Summer Season – Bottom age moving to top age | Summer Season – Top age moving to bottom age | Playing up (2nd team) |
|--------------------------------|----------------------------------------------|----------------------------------------------|-----------------------|
| 1st team, Youth League & Big V | 4                                            | 3                                            | 2                     |
| 2nd team                       | 3                                            | 2                                            | 1.5                   |
| 3rd team                       | 2                                            | 1                                            | 1                     |
| 4th team                       | 1                                            | 0.5                                          | 0.5                   |
| 5th team and below             | 1                                            | 0.5                                          | 0.5                   |

## Registration

Once your club or team is sorted, here's how to get players registered and what it costs.

### Club Player Registration

Players are encouraged to join one of MBA's nine member clubs. Each club sets its own club fees — contact your club administrator for costs. A full list of MBA member clubs is also available at [mckinnonbasketball.org/competition](http://mckinnonbasketball.org/competition).

To register directly with an MBA club, contact any of the clubs listed above. Once registered you will be placed in an appropriate team. Players may register with only one club per season and cannot play in two teams within the same age group.

### Independent Team Registration

All players must be registered to a team before taking the court in any MBA domestic competition game. Register via PlayHQ: [playhq.com/basketball-victoria/org/mckinnon-basketball-association](http://playhq.com/basketball-victoria/org/mckinnon-basketball-association).

All U8–U16 Independent teams — both newly formed and existing — must complete the [Independent Team Request Form](#) before registering.

## Player Clearances & Transfers

Per MBA By-Law Rule 8 (Player Clearances/Transfers):

- A clearance/transfer is required for all junior players (U16 and below) registering with an existing or newly formed independent team.
- Clubs and independent teams (new or existing) may accept a maximum of two incoming clearances per season, from the same club, within the same age group, gender and division.
- Players who have not played for the past two seasons do not require a clearance/transfer.

MBA uses an electronic transfers system through PlayHQ — participants are prompted to lodge a clearance when they register with their new club or team. Players seeking to register with an independent team they were not registered with in the previous season must receive MBA approval before registering.

## Registration Fees

### Independent and Non-MBA Member Club Team Registration Fees

| Team Entry                        | Fee                 |
|-----------------------------------|---------------------|
| Junior Weekend Team Entry         | \$1,332.20 per team |
| Open/Senior Weekend Team Entry    | \$1,187.20 per team |
| Wednesday Over 30s/35s Team Entry | \$1,526.40 per team |

The MBA team registration fee includes:

- Competition court hire
- Competition administration
- Competition operations
- Game day equipment
- Provision of game day referees, supervisors and staff

Makeup rounds and finals team sheet fees are additional and charged per team on game day: Semi Final team sheet \$84.80 per team; Grand Final team sheet \$90 per team (includes referee adjudicator on the score bench).

## Additional Fees for All Players

Each player pays a season door pass at the time of registration, covering spectators and players for the regular season only (\$6 per round – Juniors, \$3 per round – Seniors):

- \$84 Juniors (U8-23) Weekend Competition
- \$42 Senior/Open Weekend Competition
- \$108 Afterschool Wednesday Competition
- \$54 Over 30s/35s Wednesday Competition

Players and spectators are charged a separate door entry fee for all finals games.

## Basketball Victoria Participation Licence Fee

Basketball Victoria charges a Participation Licence fee to help cover the cost of managing the sport, including services and insurance for participants, clubs and associations: \$34.00 per player for Juniors (17 and under), and \$48.00 per player for Seniors (18 and over), charged annually / every 365 days at registration or renewal. See [Basketball Victoria registration information](#) for current rates.

## Basketball Australia Participant Fee (Game Development Levy)

Basketball Australia collects an annual Game Development Levy of \$5.50 per competition player nationwide (in place since 1 January 2024). The levy is paid at the time of player registration through PlayHQ, with revenue supporting the growth of basketball for future generations.

## Insurance

As part of registering with McKinnon Basketball Association, all players are covered under Basketball Victoria's insurance policy. If a player needs to make a claim, they can go to:

[Basketball Victoria V-Insurance](#)

[McKinnon Basketball Injury Management Portal](#)

## Game Day

With registration done, here's what to expect week to week — referees and scoring, fixtures and results, and what to do if a team can't field a side.

## Referee Supervisor

MBA employs Referee Supervisors who assist referees in their development and help ensure games are played in the spirit of the competition. They can often be seen at venues throughout our competitions, encouraging and supporting referees.

## Referees

MBA referees are often players, teenagers, adults and coaches — life members of the sport giving back, and a crucial part of running the competition each week. Please help our referees develop by allowing them to referee the game: if you have a query on game day, a coach or player may politely speak to a referee. Spectators are not to approach referees, and must adhere to the Spectator Code of Conduct.

## Scoring

Each team must provide at least one competent scorer for every game, usually coordinated by the team manager. Scorers should cross-check the game clock and iPad to prevent discrepancies. There are two roles on the score bench:

- The game clock — connects to the scoreboard so players, spectators and coaches can view the score. The clock stops in the final three minutes of the second half, and restarts each time the ball is back in play.
- The iPad — the official tracking device, from which results are submitted at the end of each day. Only add players to the line-up who are taking the court that day, and ensure all players play under their own name.

For guidance on how to score, see the [PlayHQ How to Score guide](#).

## Results

The MBA Competitions Team ensures all results are loaded by Monday 12pm; the majority of results upload live and automatically through PlayHQ on game day.

## Fill-In and Emergency Players

Junior competition teams (U8–U23) can use a fill-in to bring a team to a maximum of six players; senior and open competition teams can bring a team to seven players.

For the full rules on fill-in eligibility, division limits, registration and penalties, see [MBA's Fill-In and Emergency Player Guidelines](#).

## Forfeits

If a team needs to forfeit, use the [Forfeit Form](#) (please use the form — do not email). Once a team forfeits more than three times in a season, the team will be penalised \$50 for each further game they forfeit.

## Lost Property

Patrons are expected to collect all personal belongings when leaving the stadium — MBA is not responsible for items left behind. Lost property returned to the office is kept for 14 days. Members are encouraged to label their basketballs with their name and phone number.

## Queries

If you have any queries regarding game day issues, please contact your club directly (not MBA). Team organisers from Independent teams can email [comps@mckinnonbasketball.org](mailto:comps@mckinnonbasketball.org).

## Fixtures & Results

Fixtures and results can be found at [mckinnonbasketball.org/competition](http://mckinnonbasketball.org/competition), or through the MY HOOPS app ([playhq.com/au/apps/myhoops](http://playhq.com/au/apps/myhoops)). Note: MY HOOPS displays times in MY TIME — always check the app is showing AEDT. Fixtures are released weekly, up to Round 7. Remaining round to be released following round 7.

## Fixture Change Requests

The number of fixture change requests has increased significantly in recent seasons. Adjusting a fixture is complex and time-consuming, and can delay publication of the competition schedule — MBA will make reasonable efforts to accommodate requests, but not all requests can be approved. Requests must be submitted by the Club, not by individuals, and all MBA decisions on fixture requests are final.

Full guidance on what can and cannot be accommodated — including compatibility requests, one-off fixture changes and submission deadlines — is set out in [MBA's Fixture Requests & Guidelines](#).

## Pathways

For players who want to take their basketball further, MBA's representative pathway runs alongside the domestic competition.

The McKinnon Cougars field both male and female teams from U12 to U20 playing in the Victorian Junior Basketball League (VJBL). Cougar teams are made up of players from within our Association who play at one of our nine domestic clubs and want to take their basketball more seriously.

The McKinnon Cougars also field four representative teams in Basketball Victoria's Big V semi-professional league. The representative program is aimed at players and coaches committed to developing their basketball skills and knowledge of the game.

McKinnon Basketball runs an extensive try-out period each year; players who are successful are selected into a team for the following VJBL season. For most athletes, the pathway to Basketball Victoria's State programs, State teams, College, Big V, NBL1, NBL and WNBL begins with a representative program such as McKinnon Cougars.
